

Let your creative juices flow and write something amazing . . . an ABT Acrostic.

ACROSTIC

B

T

Acrostic is probably a new word for you. (Use it to impress your friends and family!) It's simple, fun, and interesting to do. Think of it as a 5-line poem or rap verse about what trust means to you. Use the letters that spell *trust* as the first letter of each word that begins a line.

MAKE YOURS HERE:

T

R

U

S

T

Here is an example of an acrostic that Britney from New York created.
